A FROGGIE
FAIRY TALE

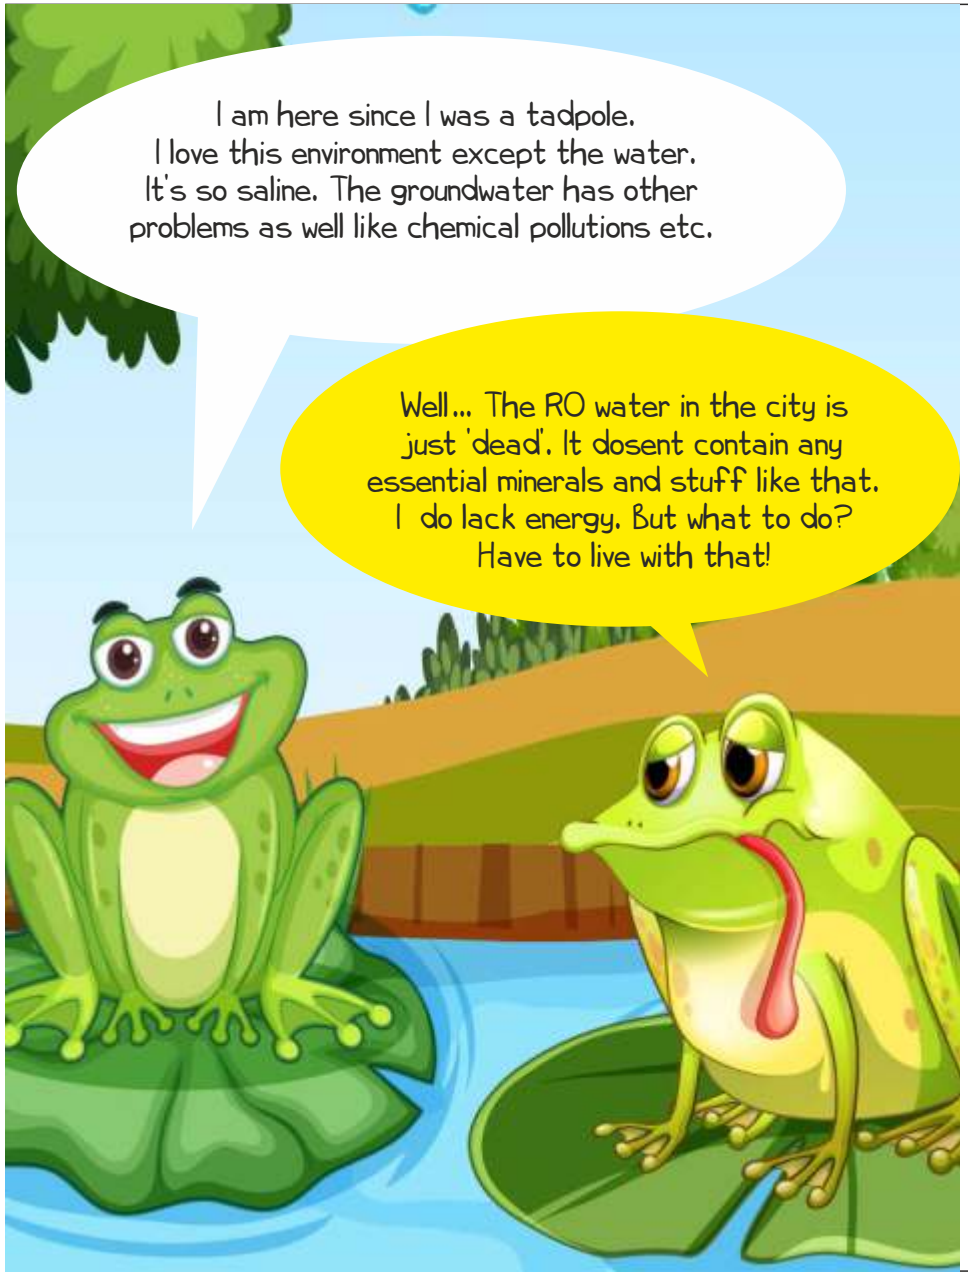
Once upon a time there were two frogs named VIJI and SIJI

VIJI lived in a pond in some village

One day SIJI got swept away by the monsoon rain and somehow met VIJI in a pond.

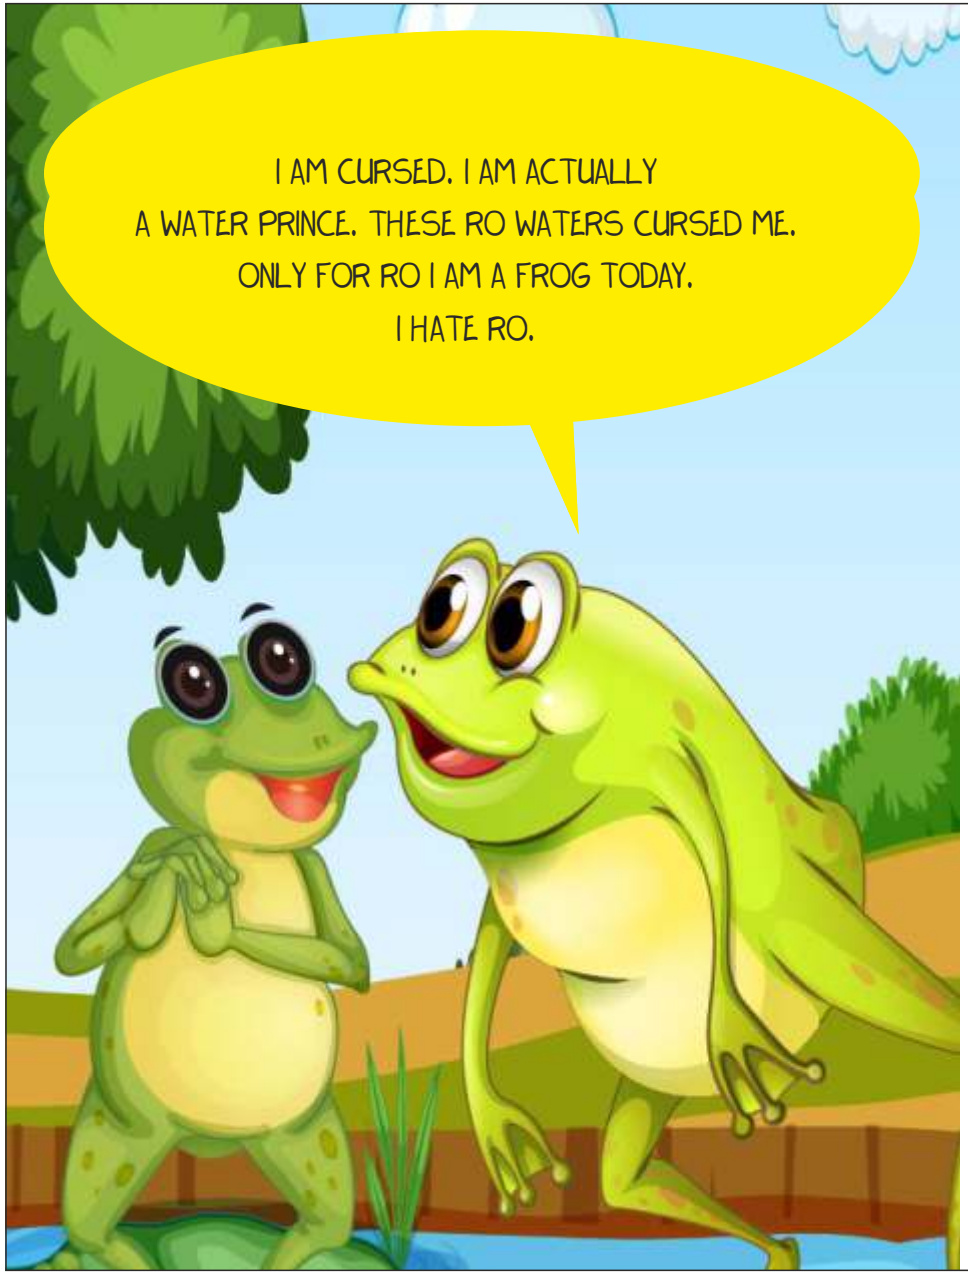
Hey bro, what's up. Never saw you before in this area. Where are you from?

I lived in Bengaluru. Got swept away this monsoon rain. Missing my City life. How long you've been here?



I am here since I was a tadpole.
I love this environment except the water.
It's so saline. The groundwater has other
problems as well like chemical pollutions etc.
Well... The RO water in the city is
just 'dead'. It dosent contain any
essential minerals and stuff like that.
I do lack energy. But what to do?
Have to live with that!

Can I share a secret
with you?
Sure?
Go ahead macha



I AM CURSED. I AM ACTUALLY
A WATER PRINCE. THESE RO WATERS CURSED ME.
ONLY FOR RO I AM A FROG TODAY.
I HATE RO.

DON'T TELL ME! SAME HERE.
I am a cursed Water Prince as well.
These salty borewell waters cursed me and
made me a frog today.

How to get rid of this curse Macha?

Bro. I have an idea.
None can stop us now from
being the Water Prince again.

AND THEY PLANNED
SOMETHING DISCREETLY

AND DANCED AROUND
IN EXCITEMENT

JIVA KINGDOM
Ahhhh!
Atlast we reached.
I am so excited....

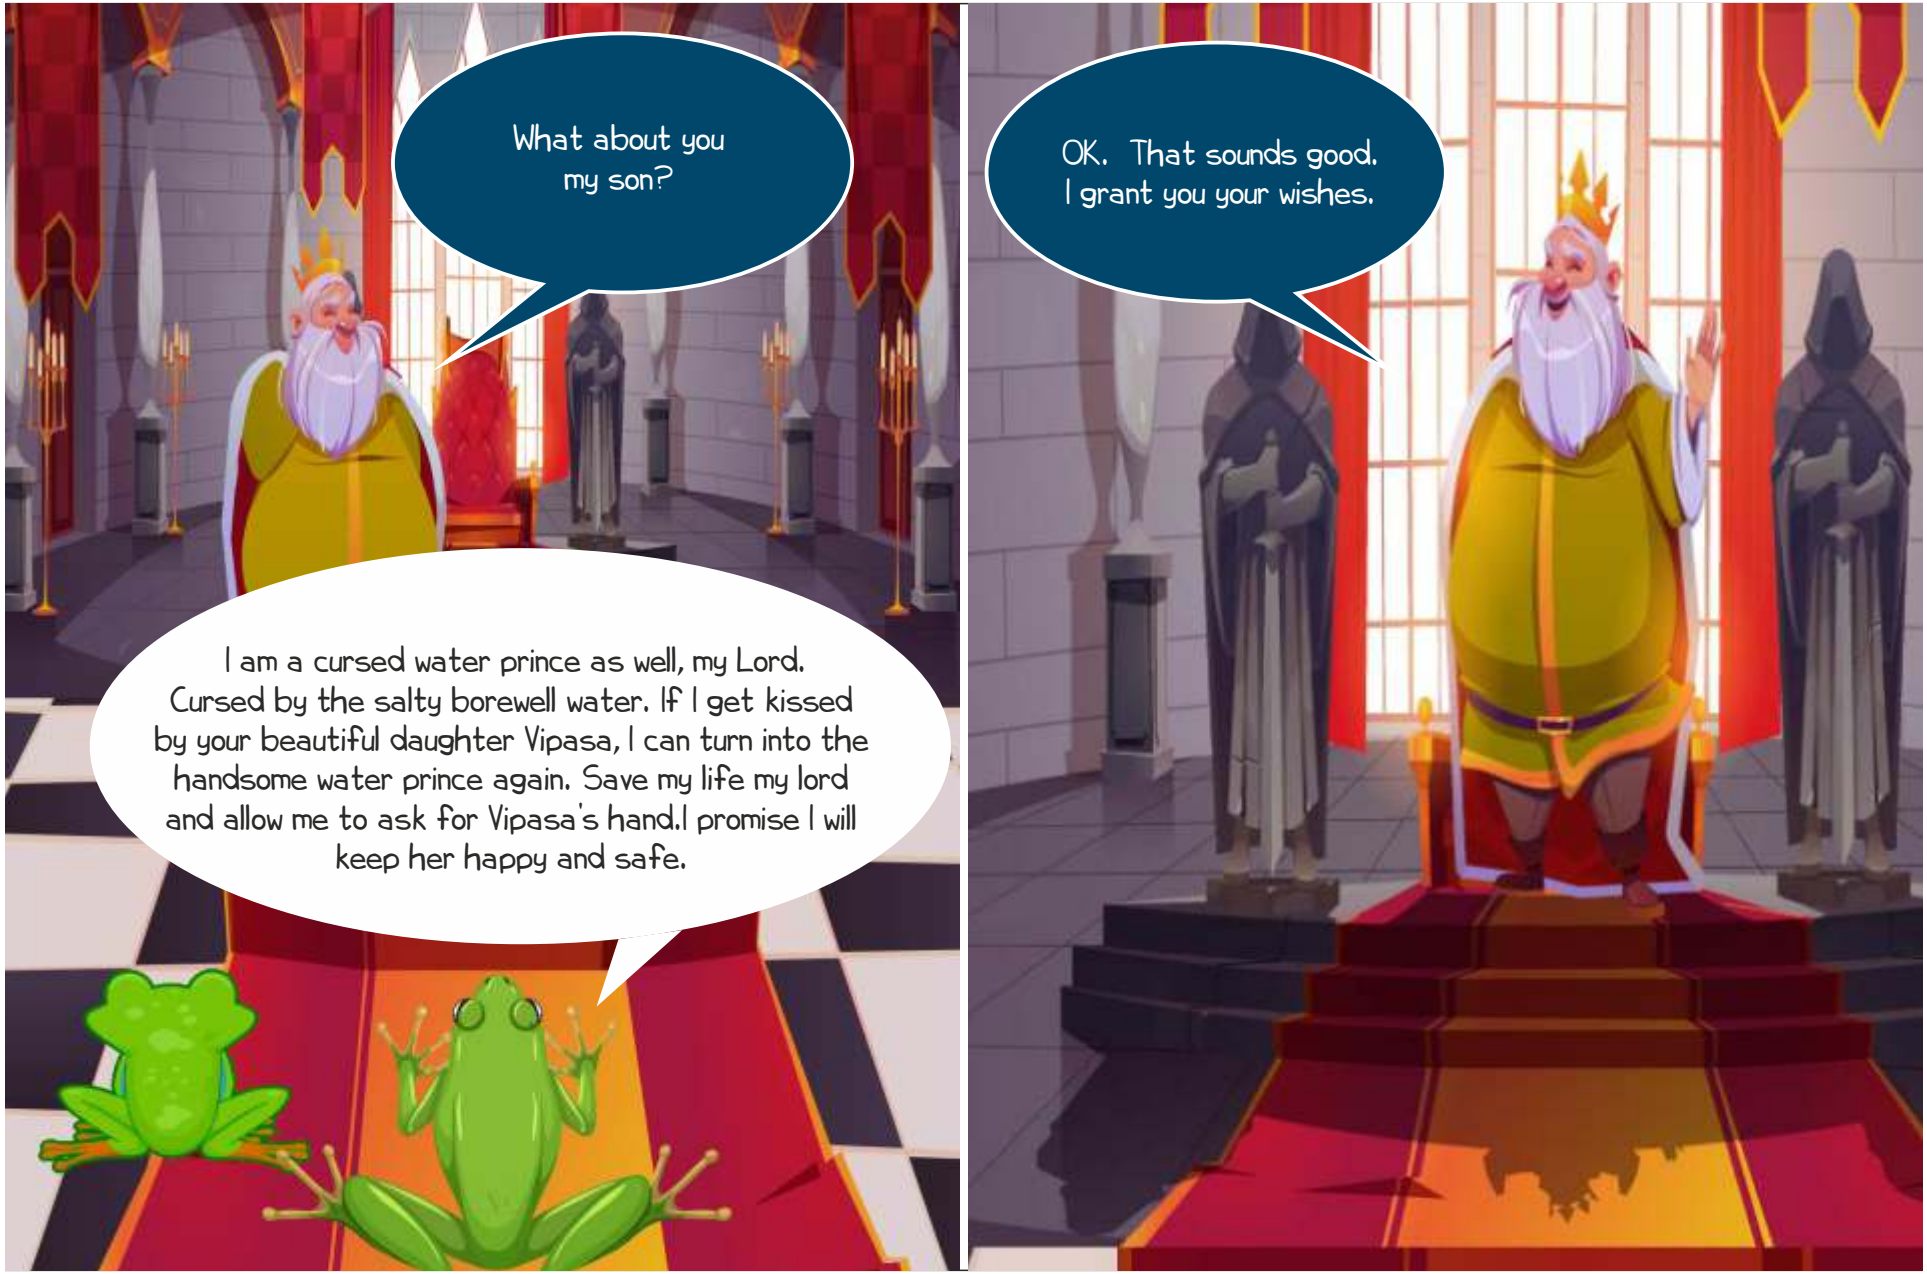
VIPASA and YAMI.
I am SIJI and am asking Yami's hand.
In fact, I am a cursed water prince.
I have the curse of lifeless RO water on me.
If I get kissed by your Yami, I can turn
into the water prince again.



What about you my son?
I am a cursed water prince as well, my Lord. Cursed by the salty borewell water. If I get kissed by your beautiful daughter Vipasa, I can turn into the handsome water prince again. Save my life my lord and allow me to ask for Vipasa's hand.I promise I will keep her happy and safe.
